

Educational Tours

International travel for teachers and students

Amy Bowman STEM Education Extension Associate for NC State, and Tanya Pelfrey 8th grade History at Harris Road Middle School, would like to invite you to join us the summer of 2018 on the Athens and the Islands educational tour. On this 13 day Greek adventure, you will explore the ancient ruins of Athens, the Parthenon, Temple of Athena, and the Acropolis, including a city tour and a visit to the 1896 Olympic Stadium. Also, visit the Oracle of Delphi, where Socrates consulted the Oracle, and climb the Temple of Apollo and Poseidon.

Then onto your 4-day cruise taking you to the islands of Mykonos, Samos, Patmos, Rhodes, Crete, and Santorini. Finishing up back in Athens and Olympia where you will visit Epidaurus, Palamidi Fortress, Kyparissia, and the museum of Archimedes and Olympia.

We are holding an informational meeting on Monday, March 20th at the Firehouse #9 on Poplar Tent from 6:30-7:30pm. If you are interested, please bring your parents to this informational meeting to have all of your questions answered. We will discuss the itinerary, costs, payment schedules, travel dates, family travel and possible fundraisers.

This is an excellent opportunity please plan on attending. You may also contact us by email.
